Announcements

From: COUNCIL

(- as was mentioned during services on the past two Sundays)

Council received a response July 14 from pastors-on-call – Ed and Michelle Top of Calgary, Alberta.

In their letter (email) they tell us that they were initially quite attracted to working some innovative team ministry for our church, in our community.

But as they considered our call, they also looked into what other options might be possibilities for their team ministry and family needs.

They have found that their other opportunities have a more urgent and favourable call than our call which requested them to have a team ministry for our church, in this community. Therefore at this point in time they have decided to NOT accept the CALL that was extended to them from Duncan CRC.

Let us find comfort in knowing that this is not a setback – but an uncomfortable part of the journey that the Lord calls us to be on for Him. John D, Clerk
