Happy Birthday Canada! This is Canada Day
and World Renew and many now-successful
farmers thank you and Global Affairs Canada
for helping families and entire communities to
journey out of poverty and create healthier
lives and more hopeful futures. Through
support from the Canadian Foodgrains Bank,
World Renew is working with local partners in
Kenya and Tanzania to train 10,720 farmers in
conservation agriculture, so they can improve
their harvests and have enough food for their
families. **Every dollar you donate to this
program will be matched 3:1 by the Canadian
government.** Thank you for helping hungry
families and following the example of our
generous God. For more opportunities to

For next year's dates, tuition, and application forms, check our website at bcldn.ca or contact our program facilitator, Wilma van der Leek at wilmavdl@shaw.ca. Applications are due August 30, 2018.
