In February I was privileged to attend the **Breakforth One** worship convention in Edmonton where I attended a variety of workshops on leading worship (vocally and instrumentally), writing music, and Sabbath rest. I learned a lot of things and came home refreshed in spirit. While I brought back many ideas, some of which I've already shared with the worship committee, one thing that stood out for me was that I really appreciate how the worship leaders in our own church lead. We have a mixture of songs (old, new, hymn, chorus, etc.) and a lot of thought goes into creating an atmosphere of worship that meets the needs of everyone in the congregation. Every congregation is unique, and a "one-size-fits-all" approach just doesn't work for everyone. I am grateful that I was able to go to Breakforth, and I recommend it to anyone who enjoys good, biblical teachings and music. It isn't just for worship leaders. There are a wide range of workshop topics besides music. Just remember your earplugs - the mainstage worship sessions were pretty loud!

Next Sunday, June 3 we will have Pancake & Sausage Breakfast at 8:30 am. Everyone is welcome, so come and enjoy breakfast and fellowship before church.

Being hosted by Norm & Jim B

BC Wildfire Response - Mennonite Disaster Response (MDS) has initiated several responses to last summer's wildfires in BC. (Last summer World Renew partnered with MDS in Fort McMurray with MDS providing organization.) A camp has been set up in Williams Lake, a project manager and cook are in place. Several home construction projects will begin May 28. Volunteers are needed starting May 28 and through June, (not July), then again in August, September and possibly October. RV'ers are also welcome anytime during the summer. If you are available for one, two or three weeks, please call Vic Janzen, the local coordinator for MDS, at 604-702-8589 or 604-858-4135; email vicjanz@telus.net. Finally, any church knowing of needs as the flood season progresses are asked to contact World Renew directly.
